Dear Partners,

We are pleased to invite you to the Cisco Security Partner Executive Connect in Bangalore. This event will showcase our collaborative efforts with partners, focusing on enhancing security posture and resilience against threats.

Please join us for an exclusive invite-only for Security Business networking session along with Cisco Channel & Security Leadership – Mr. Panish PK (Managing Director- India) & Mr.Samir Kumar Mishra (Director-Cybersecurity Business).In this briefing, Leadership will share how we are using our position in the cybersecurity to bring a fundamentally new approach to a standard pillar of security architecture.

Together, we will redefine the industry and help our customers harness outcomes that are unleashed when security meets the network! The agenda is to discuss and share insights from Cisco Secure and exchange views on strengthening engagement.

Mr. Panish P K
(Managing Director-Channel)

Mr. Samir Kumar Mishra
(Director-Cybersecurity Business)
