

# Cisco Partner Meet Bangladesh

We hosted a **Cisco Partner Meet Bangladesh** for our partners from Potential Enterprises on **19<sup>th</sup> April 2024**. The event focused around Cisco's next-generation Meraki and Security solutions, and it was highly acclaimed and successful. The majority of attendees found the sessions to be highly interactive and relevant. The in-depth discussions generated valuable insights, cultivated mindshare, and highlighted strategic priorities for our attention in the upcoming quarters.
