

Future Ready

Dear Customer,

As a valued customer, we are excited to invite you to the Kick-off event for SDN DC Network Refresh Project. It is an exclusive event that will delve into the cutting-edge technologies transforming the IT landscape. Join us as we explore the future of AI, Security, and Data Center Transformation.

Marriott Executive Apartments, Navi Mumbai

Transportation (pickup and drop) is arranged via coaches

Time: 06:30 pm onwards

Date: 30th July 2024

We will kick-off the event with a keynote message from SBI, Cisco and NTT DATA.

Agenda

- Introduction to AI in IT: Discover how AI is revolutionizing operations and driving efficiencies.
- Data Center Transformation: Explore innovative strategies for modernizing your data centers to meet evolving demands.
- The New Frontier with NTT DATA: Integrated advanced technologies to provide innovative solutions for businesses.

Our experts will share insights and best practices to help you stay ahead in this rapidly changing environment. This is also a great opportunity to network with industry peers and ask our experts any questions you may have.
