

Cisco India & SAARC Partner Confluence 2025

Unstoppable Together

Important: Register and Book Your Flights for CIPC

Dear Team,

You have been invited to attend the Cisco India and SAARC Partner Confluence (CIPC) from 9th to 11th April 2025 at Colombo, Sri Lanka.

As April is a busy month in Sri Lanka, with various festivals and events, flights are selling out quickly and costs are rising. There are few seats left on flights, so please ensure you book it at the earliest to avoid missing out.

Recommended arrival day and time: Take the earliest available flight on April 9th to arrive in Colombo before 12 noon.

Recommended departure day and time: Post 1 PM on 11th April.

Colombo airport transfers to and from Shangri-La will be arranged only for all registered participants. Kindly ensure you complete your registration and share your flight details.

Once your registration is confirmed, a room will be booked for you on a single occupancy basis (room only) for two nights—9th and 10th April 2025. The room bill and incidentals, such as room service, will need to be paid with your AMEX card at the hotel.

Please prioritize this and confirm your registration and flight bookings. Thank you for your cooperation and attention to this matter.

[Register now](#)

Best regards,
Ashok Shivashankar
